*****ALLERGY ALERT***** One of the stations is a snack that is created by the children and is a part of the activity during that time. If your child has a severe food allergy, please send a labeled snack with your child each day. Even though we do not serve peanuts or any type of peanut product and we do our best to read labels, there is nothing like “Mom and Dad knows best” policy. We do not need any “Oops” incidents so please do your best informing me of your child’s allergy.

(VBS director is certified in Epi Pen administration)

*****SPECIAL NEEDS*****Every child is welcomed with open, loving arms here. To make your child’s experience a comfortable one please inform us of any physical, mental, or behavioral need he/she may have so we can do our best to accommodate him/her. All information is confidential unless otherwise notified by you or in case of an emergency.
